RE: Official Urine Test Results - Natural Olympia 2005

Dear Komang:

Again, it gives me great pleasure to inform you that your urine testing at the Natural Olympia performed by WADA was **NEGATIVE**. As a result of your negative test I am enclosing your prize money in the form of a cashiers check in the amount of \$3,000.00 that you rightfully earned as the 1st Place Winner of the Pro Division of the Natural Olympia 2005.

I am also very pleased to inform you that out of a total of ten athletes urine tested between both shows only two of them produced positive test results. Until we complete the administrative and notification process of the two failed athletes we are not at liberty to release names. However, I can tell you that the two failed athletes were from the Natural Universe 2005. Further details and information will be posted on the website in the very near future.

Komang, congratulations on your tremendous 1st place win of the Natural Olympia 2005 Professional Division. You are a premium natural athlete and nothing pleases me more than to have you represent the ABA/INBA/PNBA Worldwide.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Denny S. Kakos
World President
